

FAIRY TALE

# ST. PETER'S KEY

## ST. PETER'S KEY (Klíč svatého Petra)

An epic tale about how it doesn't pay to steal from Saint Peter. Three people are caught up in the theft of Saint Peter's key – Willy the thief, Emily the con artist, and Tobias the musician, who is actually completely innocent.

One day they all find themselves at the Gates of Heaven, but Saint Peter recognises them and sends them back down to Earth to search for the stolen key, telling them they'll go to Hell instead of Heaven if they don't find it within a certain time. In a tale that has a beautiful princess, an amorous water goblin, and cunning royal advisers, the ending cannot but be happy. Tobias wins the princess's hand.
