CZECH TELEVISION PRESENTS TRAVEL DOCUMENTARY SERIES

Up and down the Silk Road

Up and down the Silk Road (Nahoru a dolů Hedvábnou stezkou)

Major mountains of the Silk Road is a unique kind of travelogue. It is a series of seven documentaries from a one-off journey along the Silk Road (as far as the Himalayas) and are linked to an extreme form of ski mountaineering. Martin and Karel will trek and record their experiences and visits to exceptional places for seven months. They will take their own car towards the chosen mountain ranges where they plan to complete difficult downhill runs in areas hardly explored by skiers. The journey to the mountains along the Silk Road will by itself offer them many cultural and historical subjects of interest as well as encounters with local people...
